Mr. Phil Ngyuen:

Pat and I wish to acknowledge the excellent work your company provided us recently when installing granite countertops in our Severn, Maryland residence.

The attention to detail, quality workmanship and extremely prompt and courteous service you provided is both commendable and rare in today's service industry.

The follow up trim work was completed in an equally timely and professional manner.

I'm glad we discovered your company and we have recommended to all of our friends and family that they seek out your company when they require these services.

Thank you from two very satisfied customers.

Sincerely,

Bernie + Pat Dutko

Phil -

If I've sent this before, please pardon the repeat. I've had it for a few weeks and didn't make note of sending it along to you.
