Dear Phil:

We wanted to take this opportunity to thank you for your help with the granite we purchased from you. The service we received from Top Granite was prompt, courteous and professional. The granite counter tops have transformed our kitchen into a stunning, elegant gathering place. Everyone who has come to our home has remarked on how beautiful the kitchen looks. We are also very pleased with the granite around our fireplace. It frames the fireplace nicely and adds a rich look. I especially love the piece you cut for our half wall in the foyer.

Thank you again. We would (and do) highly recommend Top Granite to anyone interested in purchasing granite.

Sincerely,

Patricia Ross
