Annapolis, Maryland 21403

Dear Phil and "Top Granite" artisans,

Many thanks for standing 100 % behind the workmanship on the granite countertop for my kitchen. The stone is very unique and is quite beautiful. You certainly went well out of your way to insure quality work. Thanks much for rescuing the stonework and the installation and for making it possible for me to have such an astoundingly exquisite piece of natural beauty in my galley kitchen area.

Sincerely,

Angela E. Linhardt
